

Join Astronaut Leroy Chiao for an interactive space program for all ages!

[Click Here for the OneOrbit Video!](#)

Dr. Leroy Chiao presents an inspiring and innovative workshop to launch your imagination to new heights!

Program Schedule: (2 Hours)

1. Inspirational introduction by Commander Leroy Chiao
2. Exciting presentation on the history of space exploration and current events by NASA Master Teacher Jami Sunkel.
3. Building a LEGO® City Space Port Spaceport kit (Included) with Dr. Chiao engaging participants with personal stories and technical descriptions.
4. Autographed photos and pictures with astronaut Leroy Chiao

Participant Take-Aways:

- New excitement for space!
- Astronaut led hands on experience
- LEGO® City Spaceport kit
- Once in a lifetime experience!
- FUN!

Dr. Leroy Chiao is a former NASA astronaut and international space station (ISS) commander. He has logged 229 days in space over four missions, including six spacewalks supporting construction of the ISS.

Jami Sunkel is a professional educator and NASA-certified Master Science teacher holding Master's degrees in Curriculum & Instruction as well as Educational Leadership.

Program is for adults and children of all ages. An adult may accompany a child for no additional charge.

**“Space is a force that excites the imagination in new ways!
Discover your inner child with space and LEGO®!”**

– Dr. Leroy Chiao
